Christmas Scattergories is a fun, fast-paced holiday thinking game. Use the spinner wheel to pick a letter, then fill in each category with a word that begins with that letter—before the timer runs out!

What You Need

- One arrow pointer + brad fastener
- Category page
- Answer sheet
- Timer
- Pencils

How to Play

1. Place the spinner wheel in the center and spin to choose the round's letter.
2. Set a timer for 2–3 minutes.
3. Write one answer for each category that begins with the chosen letter.
4. When time is up, read answers aloud and score the round.

Scoring

- Duplicate answer = 0 points
